

Annual Report of the National Astronomical Observatory of Japan

Volume 17, Fiscal 2014

T A B L E O F C O N T E N T S

Preface Masahiko HAYASHI
 Director General
 National Astronomical Observatory of Japan

| | |
|-----------------------------------------------------------------------------------------------------|------------|
| I Scientific Highlights April 2014 – March 2015 | 001 |
| II Status Reports of Research Activities | |
| 01. Subaru Telescope | 070 |
| 02. Okayama Astrophysical Observatory | 074 |
| 03. Nobeyama Radio Observatory | 077 |
| 04. Nobeyama Solar Radio Observatory | 080 |
| 05. Mizusawa VLBI Observatory | 081 |
| 06. Solar Observatory | 084 |
| 07. NAOJ Chile Observatory | 086 |
| 08. Center for Computational Astrophysics | 089 |
| 09. Hinode Science Center | 092 |
| 10. Gravitational Wave Project Office | 094 |
| 11. TMT-J Project Office | 096 |
| 12. JASMINE Project Office | 099 |
| 13. Extra-Solar Planet Detection Project Office (Exoplanet Project Office, EPO) | 101 |
| 14. RISE (Research of Interior Structure and Evolution of Solar System Bodies) Project Office | 102 |
| 15. Solar-C Project Office | 104 |
| 16. Astronomy Data Center | 105 |
| 17. Advanced Technology Center (ATC) | 106 |
| 18. Public Relations Center | 111 |
| 19. Division of Optical and Infrared Astronomy | 116 |
| 20. Division of Radio Astronomy | 118 |
| 21. Division of Solar and Plasma Astrophysics | 121 |
| 22. Division of Theoretical Astronomy | 122 |
| 23. Office of International Relations | 125 |

| | |
|-------------------------------------------------------------------------|------------|
| III Organization | 126 |
| IV Finance | 147 |
| V KAKENHI (Grants-in-Aid for Scientific Research) | 148 |
| VI Research Collaboration | 149 |
| VII Graduate Course Education | 151 |
| VIII Public Access to Facilities | 156 |
| IX Overseas Travel | 162 |
| X Award Winners | 163 |
| XI Library, Publications | 164 |
| XII Important Dates | 165 |
| XIII Publications, Presentations | |
| 1. Refereed Publications | 167 |
| 2. Publications of the National Astronomical Observatory of Japan | 179 |
| 3. Report of the National Astronomical Observatory of Japan | 179 |
| 4. Conference Proceedings | 179 |
| 5. Publications in English | 187 |
| 6. Conference Presentations | 187 |
