

## **JOB VACANCY ANNOUNCEMENT**

### **- Project Research Fellow (Project Researcher on Annual Salary System) at Astronomy Data Center, National Astronomical Observatory of Japan (NAOJ) -**

1. Job Title: Project Researcher (Project Research Fellow), one position

2. Division: Astronomy Data Center

3. Work Location: National Astronomical Observatory of Japan (NAOJ), Mitaka, Tokyo

4. Area of Expertise: Astronomical Data Archive and/or Database Astronomy

5. Job Description:

Astronomy Data Center (ADC) of the National Astronomical Observatory of Japan (NAOJ) is operating the open-use computer systems for astronomical data analysis and also providing astronomical database and archive systems for delivering observational data to support astronomical activities in the world. SMOKA (<http://smoka.nao.ac.jp/>) is one of these systems for providing raw data from various optical and infrared ground-based observatories like Subaru Telescope, Okayama Astrophysical Observatory's 188cm telescope, Kiso Schmidt Telescope of The University of Tokyo, MITSuME telescopes of Tokyo Institute of Technology, and Kanata Telescope of Hiroshima University, and is contributing very much to scientific research and educational activities.

The successful candidate spends more than 50 % of the time on their own scientific research related to the data stored in ADC and other archive systems. The remaining time should be used on the duties for promoting effective operation of SMOKA system and data quality assurance and/or calibrations of data stored in SMOKA. The successful candidate is also expected to join to works on improvement and/or optimization of SMOKA system.

6. Terms of Appointment:

The successful candidate is expected to start the job as early as reasonably possible after September 1, 2022. The term of employment will be up to three years, including the probation period of six months.

Note:

- (1) If the successful candidate had been employed by the National Institutes of Natural Sciences (NINS, which is an executive institute that manages NAOJ) within six months retroactively from the start date, the term will be set so that the total employment period after April 1, 2013 does not exceed ten years.

- (2) If the successful candidate had been employed as an NAOJ Project Researcher, the term will be set so that the total accumulated period of employment does not exceed five years.
